RETOUR AUX SOURCES

A photographic journey : 7 venues

From February 19th until March 25th 2016

**Preview : Wednesday February 17th 2016 From 6:00 pm to 9:00 pm
at the Town Hall of the 3rd arrondissement**

For the first time, Maurice Renoma shows himself in the heart of Paris, the cradle of his history. A forerunner of Parisian fashion and a photographer, he looks back on his artistic career and presents "Retour au Sources" (Back to the Roots), a new journey that illustrates his passion for image and pays tribute to the neighbourhood where he grew up.

Each space of expression provides an opportunity for Maurice Renoma to enhance a particular world: from Gelatin Silver to Digital, from Black-and-White to Colour, from graphic designs to interplays of materials, he keeps on shattering the codes and has fun by inventing new rules.

23 years are presented through a great retrospective featuring more than one hundred works and an original scenography in 7 iconic Parisian places :
