

ART BASEL :

maurice renoma

moves into
the **NATIONAL HOTEL** Miami Beach

The most iconic and quintessential **Art Deco Hotel** in the United States,
reveals a unique experience :

with a scenography by **Maurice Renoma**,
you are immersed in the multifaceted artist's world.

You will discover the **ambiguous and enigmatic work** of an outstanding personality,
mixing **surrealism with irony**, as the expression of its view of the world.
