Maurice Renoma invites Pierre Richard

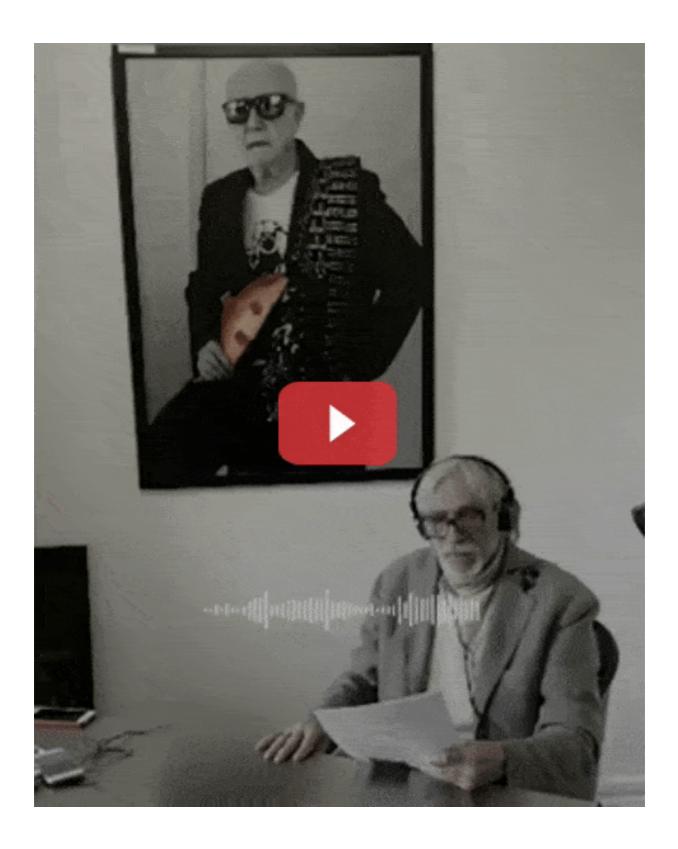

The new exhibition of Maurice Renoma "Scène Symphonique" has yet to be performed in front of an audience, but in the meantime we invite you to discover the colorful and dreamlike works of William Bakaimo and Famakan Magassa in resonance with poems by Baudelaire read by Pierre Richard.

Now is the time for reading and concentration with the iconic actor ...

who puts himself in the shoes of a storyteller, a role he loves, as a lover of rhymes and verses, on the occasion of the bicentenary of Charles Baudelaire's birthday.
