**[PRESS] *Cristobal, le poisson rouge*  
on France TV Info Culture:  
there is still time to visit the exhibition  
in Saint-Quay-Portrieux**

*Cristobal, le poisson rouge* among the summer's must-see exhibitions outside of Paris: the city of **Saint-Quay-Portrieux** comes alive around Cristobal the goldfish, Maurice Renoma's faithful companion.

## **From Christian Louboutin to Maurice Renoma via Azzedine Alaïa, the summer's must-see exhibitions dedicated to fashion across the province.**

Christian Louboutin has settled in Monaco, Azzedine Alaïa in Provence, the House On Aura Tout Vu in the North, Maurice Renoma in Brittany... France offers many fashion stops along the route of your vacation. Here is our selection of seven exhibitions to discover this summer.

### **Maurice Renoma in Saint-Quay-Portrieux**

Fashion designer and photographer, Maurice Renoma invited, in 2020, to a reflection on the environment with his exhibition "Mythologies du Poisson Rouge" [Mythologies of the goldfish]. This summer, Cristobal, the goldfish, criss-crosses the coast of Brittany and invades the Saint-Quay-Portrieux's seafront. He swims through spectacular, comical and poetic stagings, pointing out ecological but also societal issues. Since their meeting in 2017, Maurice Renoma has taken this artistic alter ego on a journey around the world to denounce the ravages of pollution linked to overconsumption and the deterioration of collective memory.

**[SAVE THE DATE] MATIÈRES | BRUT: Bruno Decharme's art brut collection in September at the Appart Renoma in Paris**

In a gesture of artistic patronage, **Bruno Decharme** and **Maurice Renoma** join forces to exhibit from **September 15 to November 4, 2022** at the **Appart Renoma** (129bis rue de la Pompe, Paris 16th) exceptional works of certain «classics of **art brut**» but also others produced by artists of today, to give an overview of art brut in all its diversity and artistic potency.

**MATIÈRES I BRUT** is an exhibition that testifies to the two friends' passion for creations from the street, productions by self-taught people, marginalized people, wandering souls. This proposal is constructed around a meeting and the wish to make this art accessible to the widest public in a free and spontaneous manner, just as the artists' creations are capable of showing us the out-of-frame, the out-of-norm.

The poster features a central, intricate woodcut-style illustration. At the top, the word "BRUT" is written in large, bold, black letters, followed by "exhibition" in a smaller, lowercase font. Below this, the dates "September 15 | November 4, 2022" are printed. The central illustration is a complex composition of various elements: a wolf's head at the top center, a bird on the right, a central vertical structure resembling a fountain or a column, and two snakes on either side. At the bottom of the illustration, there is a circular emblem containing the Russian text "ЛОБАНОВ АЛЕКСАНДР ЯВЛОВИЧ". To the left of the illustration, the word "MATIÈRES I" is written vertically in large, white, bold letters. To the right, the text "BRUNO DECHARME & MAURICE RENOMA" is written vertically, followed by "a conversation about art brut" in a smaller font. At the bottom of the poster, the logo for "L'appart renoma" is displayed, with "L'appart" in red and "renoma" in black. Below the logo, the address "129bis rue de la Pompe, 75116 Paris" and the opening hours "Tuesday | Saturday 11 a.m. to 6 p.m" are listed.

To dialogue with this exceptional collection, Maurice Renoma presents his «**Photos Ratées**» [Failed Photos], spontaneous and intimate shots, «accidents» of his own impulses.

The Appart Renoma and the MATIÈRES I BRUT exhibition are joining forces with **Outsider Art Fair Paris** in the common approach of showing these treasures of art brut to as many people as possible.
