[ART] MATIÈRES | BRUT: Bruno Decharme's art brut collection at the Appart Renoma from September 15

Bruno Decharme and **Maurice Renoma**, in a gesture of artistic patronage and driven by a common fascination for **art brut**, join forces to make this art accessible to the widest public through a selection of exceptional artworks from **September 15 to November 4, 2022** at the **Appart Renoma** (129bis rue de la Pompe, Paris 16th).

MATIÈRES | BRUT is an exhibition that testifies to the two friends' passion for creations from the street, productions by self-taught people, marginalized people, wandering souls, those whom Jean Dubuffet called «l'homme du commun à l'ouvrage» [The common man at work]. Women and men who only have their creation to survive.

Appart Renoma and the exhibition MATIÈRES | BRUT are delighted to collaborate with **OutsiderArtFair Paris**, main reference in the Outsider Art movement founded in NYC in 1993, with the common goal of introducing the treasures of Art Brut to a greater number of people.

From September 15 to 18, 2022, OAF Paris will celebrate its 10th anniversary at Atelier Richelieu, with 30 exhibitors and two exhibitions. The key image of this edition is a work by Aloïse Corbaz which will be exhibited at the Appart from September 15 to November 4, 2022 as part of *Matières | Brut*, alongside exceptional works by some "art brut classics" and others produced by artists of today. An overview of art brut in all its diversity and artistic power.
