### [ARCHIVE] Happy Birthday Renoma Boutique!

On October 23, 1963 the Renoma boutique opened its doors. An iconic place in Parisian landscape, it has evolved since its opening under the name of "White House", when the Renoma brothers took over rue de la Pompe and gave it the aura of a French-style Carnaby Street.

The Renoma boutique has been transformed over the years into a concept store on 3 levels where photography, scenography, design and fashion mingle. More than just a shop, a whole era permeates its walls and its collections, cradle of an extraordinary style that pushed several generations to extravagance.
