[APPART] BORDERLINE: art brut between drawing and writing from May 12 to June 24, 2023

From May 12 to June 24, 2023, art brut is once again the guest of honor at Appart Renoma, which maintains its commitment to free programming in support of arts that go off the beaten track and challenge the achievements of creation.

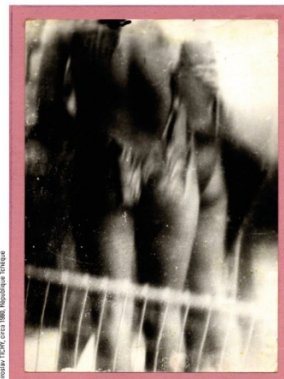

This time the door is open to the **Galerie Arthur Borgnis**, which presents two exhibitions that dialogue with each other:

> **BORDERLINE, les funambules du langage**, a selection of works by 40 artists from 16 countries from 1880 to the present day, who cross the borders between drawing and writing ; art brut classics such as Carlo Zinelli, Francis Palanc, Emile Josome Hodinos, Jean Perdrizet dialogue with contemporary artists such as Michaela Polacek, Franza Maier, Olga Karlikova, Dagmar Havičková whose works are shown for the first time in France.

> **VOIR L'INVISIBLE, Miroslav Tichy VS Maurice Renoma**, the meeting between these two singular artists who shake up photographic practice and invite us to forge our gaze outside the usual codes. Their photos open us to a mysterious presence, a journey towards the invisible which aims to restore the grace and mystery of the woman.

[NEWS]

**« Les Mythologies de Maurice Renoma »
from April 27 to June 3, 2023 at the Galerie Depardieu in Nice**

Maurice Renoma presents an anthology of his Mythologies, images featuring a joyful hybridization between women, men and animals that questions our very current desire for visibility, which by a disturbing paradox, inevitably leads to our social dilution. Does the habit, or the filter, make the monk?

6 rue du docteur Jacques Guidoni, 06000 Nice

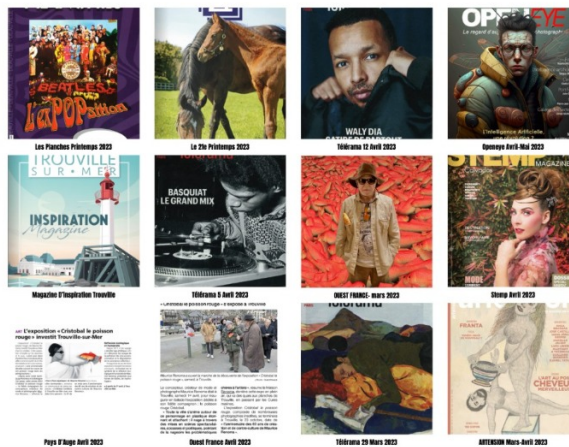

Exhibition until June 3, 2023

Free admission from Monday to Saturday from 2:30 p.m. to 6:30 p.m.
