[NEWS] Appart Renoma welcomes "ESMOD HORS LES MURS"

«ESMOD HORS LES MURS» Class of 2023 visuals Exhibition France - Rights reserved

ESMOD

Maurice Renoma and ESMOD International announce their collaboration as part of the **60th anniversary of Maison Renoma in October 2023!** Heritage and transmission to new generations, the taste for aesthetic exploration and the claim of the porosity of the arts in the creative act thus become a common commitment.

Several highlights will be offered throughout this year of exchange and sharing, which will begin on **June 30, 2023** with the **ESMOD HORS LES MURS** exhibition at Appart Renoma until July 8, 2023. For the first time, the presentation of the creations of ESMOD France students will come out of the School: the excellence and know-how of young talents will be honored in this place of cultural encounters with free access.

[APPART] BORDERLINE :
exceptional meeting with the artist George Widener

Exceptionally passing through Paris, the American artist **George Widener** honored the Appart Renoma with his presence for an **evening-conference with the gallerist Arthur Borgnis** on May 30th.

Widener's work has acquired international recognition that goes far beyond the boundaries of Art Brut and Outsider Art: endowed with extraordinary calculation capacities worthy of a supercomputer, Widener manipulates time like an artistic medium.

One of his most iconic works, representing the Titanic, is currently on display at Appart Renoma as part of the **BORDERLINE, les funambules du langage** art brut exhibition.
