The **ESMOD HORS LES MURS** exhibition came to a close with students from ESMOD France. The exhibition highlighted **the fashion talents of tomorrow**.

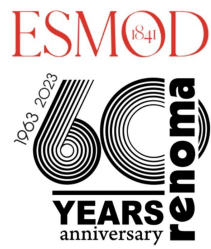

"The question of sharing, of passing on to new generations, is the one that interests me most today. And this also concerns fashion, as culture, heritage and a reflection of the society in which we live."

- Maurice Renoma

For those who haven't had the chance to discover the students' work at the Appart, there will be a new collaboration between Maurice Renoma and the students in October at the ESMOD school for the 60th anniversary of Maison Renoma.
