## Focus on the encounter between Maurice Renoma and the painter Lyzane Potvin

Photography: Josée Lacombe - All rights reserved

*"Through this work, I wanted to stage two artists fighting for the freedom of creation through the meanders at the door of a fragile world. Two "warriors" in a combat position, who unite their visions and their powerful urge to create, transform, disrupt and reinvent."*

- Lyzane Potvin

To discover at the 60th anniversary of the House Renoma.
