## First appointment: Maurice Renoma's "Planches Contact"

From September 14 until October 28, 2023, the GNG Gallery will host the exhibition "Planches contact", a highlight of the aesthetic approach of Maurice Renoma, artist, and the creative impulse that accompanies his practice of photography.

Maurice Renoma opens his archives and **exhibits for the first time his contact sheets**. This journey in search of its aesthetics becomes for the spectator the reading of real visual notebooks.

**The opening of the exhibition will take place at Galerie GNG on Thursday  
September 14th from 5pm to 9pm in the presence of the artist.**

In the center are a plain velvet jacket with Vasarely geometry, an Escher shirt, and wool pants with elephant feet. On the right, a look built around the famous Steiner Jacquard sweater, an emblematic piece from 1965.
