Mythologies of the goldfish : new adventure of Cristobal at Aquarium of Paris

Photos : Maison Renoma - All rights reserved

Follow the adventures of Cristobal the goldfish, Maurice Renoma's pop icon, presented in various artistic forms: **paintings, photographs, videos, tank backgrounds, three-dimensional works, stickers, banners...**

Through this immersive and educational walk-through exhibition, the unprecedented collaboration between the Paris Aquarium and the artist – also **the first fashion designer to have carte blanche in this iconic place** – highlights the **founding principles of the Aquarium, namely education and learning, especially for the young audience who will shape tomorrow's society and influence the future of the planet.**

📍 Aquarium de Paris : 5 avenue Albert de Mun, 75016 Paris

📅 From 2nd March to 3rd May 2024, from 10:00 to 19:00

Flannelette shirts for a cozy spring

Image : Maison Renoma - All rights reserved

[Mademoiselle, 1972, no.16]

It's "vachement" good, spring arrives!

In the late 1960s, Renoma revisited flannelette, making it glamorous, trendy, and essential, even in the countryside, as seen in these brightly colored shirts with delightfully retro patterns.
